Competition Procedure

Matches will be played in accordance with the procedure laid down by England Golf. The important details are summarised here, along with some of the procedural details which will apply at The Shropshire Golf Centre.

A match consists of 2 foursomes followed by 3 singles each played over the same 18 holes on the same day.

County Match Week

- (a) A County Team shall consist of not more than twelve players and must be nominated at least 14 days before the first day of County Match Week. Should any of these nominated players be incapacitated by illness, accident or other unavoidable occurrence, another player not previously nominated may be substituted up to the time fixed for the first match of the tournament.
- (b) The order of play for the morning matches must be received by the Tournament Office no later than 45 minutes before the teams concerned are due to start. The order of play for the afternoon matches shall be handed in not less than 30 minutes before they are due to start, or as soon as possible after the conclusion of their county's last morning match. Failure to submit the order of play by the required deadline will result in the pairings and order of play being taken from the squad list of players in alphabetical order, the foursomes pairings taken first, followed by the singles.

In addition to the above, should any of the above players be incapacitated on the day of the match by illness, accident or other unavoidable occurrence, another of the named players from the squad list may be substituted up to the time the player is due to start from the 1st or 10th tee in the morning or in the afternoon. In the foursomes or the singles, the substitute shall take the place of the player she replaces. A player who has been substituted in the morning may compete that afternoon.

Scoring: One game point shall be scored for each individual win or walkover whether in foursomes or singles. Individual games all square after 18 holes shall score half a point.

Points: Each County shall score two match points for a win and one point for a match halved with another County. The team which has scored the most points is the winner.

Ties: The winning County shall be the County with the highest number of match points. In the

event of a tie on match points, the result will be determined by (in order):

- i) total game points won
- ii) match result between the tied counties
- iii) result of the first singles game in the match between the tied counties
- individual results. If the game is halved the second, third singles game etc will be used until a decision is found.

Should there still not be a clear winner, the winner shall be drawn by lot.

Each side/player will be given a match card. This must be signed by a player from each side upon conclusion of the match and the winning county is responsible for handing the card in to the Tournament Office or a referee as soon as possible.

Please be sure to sign the master copy of the team list at the end of each match.
The master copies will be given to England Golf at the end of the week.

The current list of 'Conforming Golf Balls' will be available on-line if needed. Please make sure your players have checked that they are using conforming balls. Penalty for breach of this rule is DISQUALIFICATION.

There are no restrictions on the use of caddies.

Players and caddies must not ride on any form of transportation during a stipulated round unless authorised by the Committee in advance (Ref. R&A Rules of Golf - Appendix 1b---8). Use of a Golf Buggy must comply with the England Golf "Policy on the Use of Golf Buggies".

Notes:

1. If a player is authorised to use a golf buggy, her caddie is allowed to share the buggy.
2. A player may be transported back to replace a shot in a buggy if available.

Each team may appoint one person (in addition to the persons from whom advice may be asked under Rule 8), who may give advice to members of that team. Such person must be identified to the Tournament Office along with the order of play for each match.

That person may not:

- i. walk on to a putting green
- ii. give advice to a player on or around the putting green when the player's ball lies on or has been lifted from the putting green.

PENALTY FOR BREACH OF CONDITION:

- i. First offence: Warning; Second offence: Loss of hole
- ii Loss of hole

The England Golf HARD CARD will be used. This covers Local Rules, Pace of Play and Suspension of Play Due to a Dangerous Situation. Additional Local Rules may be implemented for one or more sessions of play, these will be publicised to all teams and captains.

Other than the Organising Committee and officials, the only people allowed into the Tournament office are County Presidents, County Captains (or their nominated representative) and players (only to return their match result slips if not previously handed in).

3. The player is seeking a decision from the committee on a doubtful if disputed point (see R & A Rules 2-5 and 34-3); or
4. There is some other good reason such as illness
bad weather is not itself a good reason for discontinuing play.

If there is imminent risk of lightening the Klaxon will be sounded and play Must be sounded and play must be discontinued immediately.

Common sense dictates, that in the interest of safety all players, caddies officials and spectators must take responsibility for themselves and evacuate the course until the committee orders a Resumption of play

When play is suspended by the committee for a dangerous situation, if the players in a match or group are between the play of two holes, they must not resume play until the committee has ordered the resumption of play. If they are in the process of playing a hole, play **MUST** be discontinued immediately and not resumed until the committee has ordered the resumption of play. If a player fails to discontinue play immediately, the player is disqualified unless circumstances warrant waiving the penalty as provided in R & A Rule.

The signal for the suspension of play due to dangerous situation will be a prolonged note on the siren; the following signals will be used:-
