Lady Golfers from Lincolnshire

We would like introduce you to our newsletter from the Lincolnshire Ladies County Golf Association. (LLCGA). It is our intention to send you information on a regular basis. We hope you will be able to display this information and that you will contribute information to us for the newsletter. Our purpose is two-fold. Firstly, to keep you updated on local news from around our clubs and secondly to receive information from yourselves to also promote within the clubs. We also hope that by reminding you of events taking place it will encourage you to find out more about the golfing activities available to you and that you will feel able to come and join us at different course and meet new golfing buddies!

Important Information

Many of you will be aware of the new GDPR regulations, coming into force on 25th May 2018. You will find more information about this on The England Golf website - www.EnglandGolf.org including some good documents for clubs to download. On this note can we please ask you to let us know that you are happy to be included in issues of this newsletter beyond 25th May. Staying with information, can we please ask that you let us know about your club officers, especially when changes take place as we do need to contact you and we want to use your time efficiently. Our secretary secretary@lincolnshirladiesgolf.co.uk is keen to know, the names of your Lady Captain, Hon Secretary & the person responsible for your marketing.

PLEASE LET US KNOW!

Playing at other courses

Inter County Cards – these are now available from your club. Please request them from your club secretary – they must be verified before you can use them. This is a great way of playing other courses & meeting other golfers, you can use your card countrywide. More information from www.lugc.co.uk

Another way of finding out about other courses is to sign up for some of the events on our website www.lincolnshirladiesgolf.co.uk if you spend a few minutes looking at the diary entries I'm sure you will be surprised at how much is going on! There are fun competitions and events for the more serious lady golfers! For a relatively modest fee you can play golf, enjoy a meal and meet other ladies who share your passion for a game of golf.
